**Neighborhood Watch**

We are in desperate need of a Neighborhood Watch Committee Chairman and volunteers. The Social Club provides the following for Neighborhood Watch:

1. Rotating Light
2. Security signs
3. Spot light
4. Cell phone
5. Familiarization Tours

There were thefts in Laurel Estates during the summer months. This is something that affects all of us and needs to be taken very seriously. An authority figure must be visible if we are to curtail these thefts.

We would like to pass along some security tips that may help in reducing the number of break-ins encountered in our park: (Tips appeared in a Newsletter written by J. Schlundt)

Keep your bikes and personal possessions locked up day and night.

- ✓ Put a yard light in the front and back of your home (why not both?)

- ✓ Watch out for your neighbors and they will watch out for you...if you see something suspicious call the Sheriff's office@ 477-1000

- ✓ Be safe rather than sorry!

**Chairmen needed for the following:**

- ❖ Men's club
- ❖ Horseshoes
- ❖ Neighborhood Watch
- ❖ Kraft Club

If you want to help with any of these activities please contact Jack Goodwin, Social Club President

**From the Social Club President:**

Mike Freedman and I will act as co-chairmen of the Neighborhood Watch until a chairman can be found. Our goal is to have 30-40 volunteers, male or female. That way we would only have to go out once a month for the months of October through April and maybe once a week through the summer months. If interested call;

Mike Freedman  
Jack Goodwin

We are also looking for a committee to work in conjunction with a Lot Owners committee to look into the beautification of the interior of the club house. If interested please call Jack.

Any help you can offer would be appreciated.

**Jack**
