January 2008

FROM YOUR PRESIDENT: Here we are — another year almost gone ... Makes you think of the old saying regarding the roll of toilet tissue—the closer the end the faster it goes.....So, what are they trying to tell me??

We are looking forward to another busy and productive year here at Laurel Estates. I especially want to thank the officers of 2007 for their excellent service to you and me; most of them will continue to serve us in the coming year, 2008. We welcome Kathy Jones as our new Treasurer, with special thanks to outgoing Treasurer, Jill Lincoln, for a job well done. Also, I would be remiss if I didn't thank the Chairs of all the Committees and all the volunteers who step forward to lend a helping hand. We would not have a Social Club here at Laurel without the many willing volunteers who assume responsibilities or simply lend a helping hand whenever and wherever needed. And now I hope you are sufficiently "battered up" to be ready to jump right in and help us get through 2008. We gotta GET-R-DONE.

WE HAD ANOTHER SEASON OF GIVING!

Many thanks to everyone who helped make this possible. Thanksgiving and Christmas were both very successful and I'm sure we'll be blessed in some way by giving to the needy. It's great to know we live in a caring community with helping neighbors.

Earl Harvey

THANK YOU!

to: **JACK GOODWIN** for sponsoring the End of Summer BBQ—and Jack wishes to thank all who helped him.

to: **John and Linette Parrish** for their monetary contribution towards our Christmas dinner.

to: **EVERYONE** who participated in lighting the luminaries on Christmas Eve and those who gathered them up on Christmas morning.

to: the **CAROLERS** who joined voices in rendering Christmas carols to shut-ins and stay-homers. We may not have been top contenders in “Clash of the Choirs” but we sang lustily and joyfully and all had a wonderful time.

to: **BETH THOMPSON** for stepping forward to chair another Christmas dinner. Thanks also to all her helpers. The club house was decorated beautifully, the center-pieces were so pretty and Christmassy, and last but not least—the food was wonderful. A great heartfelt thanks to everyone who made it possible.

to: **JAN ZYLSTRA** and **BETH THOMPSON** and all who helped with the Christmas/Birthday party. A wonderful time was had by all. Yummy good snacks!!

to: **BOB LEDANE** for making the arrangements for AARP to present the safe driver’s course. Bob has also made arrangements for this class to be conducted next winter. Details to be made available at a later date.

To: **EARL HARVEY** for all the time and effort he puts forth in collections for the needy of our community.

to: **JILL LINCOLN** for serving as Treasurer of the Laurel Estates Social Club for the past year. Good job, Jill!

to: **KATHY JONES** for the new whimsical graphics used on the new and improved Laurel Estates website. The very skinny and pregnant flamingo wandering among the Laurel Estates palm trees comes from this talented lady. Really good job, Kathy.

to: **JIM RUDOLPH** we cannot thank Kathy without thanking Jim. He must have spent hours working on the LE website. If you have not been there, please take a couple of minutes to check it out.... You will be thrilled with the “user friendly” technology and up-to-date information. While you are there, take note of the “Contact Us” page and form you can complete to send your comments, thoughts, complaints or compliments to any of the Social Club Officers or to the Newsletter Editor. Your comments will be acknowledged, forwarded to the appropriate party if necessary, and will be printed in the newsletter if you so desire and specify.

NEWS FROM C.E.R.T.

The seven current members of Laurel Estates C.E.R.T. Team (Community Emergency Response Team) have been busy with on-going training and test taking. There are still three park residents who have to finish some classroom training and testing to be certified team members. They will take care of that in the coming months. There will be a new basic training course given in January (evenings). The dates have not been received yet. You can call Bruce and Jan Zylstra for more information.

During the summer months, we had residents fill out an Emergency Response Form which included information regarding who to call (relative, friend, etc.) in the event a disaster of some type should occur and affect our community. We realize that this is a duplication of information as you may also have this information on file with Flo Cummings. However, we feel it is important for the C.E.R.T. Team to have this on file and readily available in case it is needed. We will work with Flo to make duplications of any updated information you give her.

As we are a new team and a rather small team, in comparison to other parks, there are certain basic items we need to have in the event of a disaster. Flashlights/batteries, work gloves, duct tape, pens/pencils, scissors, wrench sets of different sizes, and first aid kits are just some of the needed items. The fire department of N. Fort Myers has already provided neck braces and will also provide a backboard for our use. If you should wish to donate any of these items or make a monetary donation to the team, please call Bruce or Jan Zylstra.

RED HAT JEWELSfrom Queen Helene

McGregor Baptist Christmas pageant was a hit as always. Sunday, December 9, eleven Red Hat Jewels attended the event, along with spouses and friends, for a total of 26. It was a great production and a great way to start the Christmas season.

In January, Edie Smith and Wilma Gibson will host a day on the water...they've booked a luncheon cruise for Friday, January 18, with Captain J.P. Details will be available at the January meeting of the Red Hat Jewels in the clubhouse on January 3, from 1 to 3 PM. Details and a sign-up sheet is also posted on the Red Hat bulletin board at the clubhouse. Remember, ladies, always check the Red Hat Jewels bulletin board in the hallway for postings/pictures. (You never know what you will find. :-))

Also, On Sunday, January 27, some will be traveling to Tampa to view the much acclaimed musical, **"HATS"**. It's joyous, provocative, and hilarious. It confirms there is so much more to life after the big **50 !!**

HAPPY RED HATTING!!
Your Queen Mum,
Helene

THANKS TO BILL FRANK

To commemorate her 69th birthday, Julie Andrews made a special appearance at Manhattan's Radio City Music Hall for the benefit of AARP. One of the musical numbers she performed was "My Favorite Things" from the legendary "SOUND OF MUSIC." However, the lyrics have been changed:

"Maalox and nose drops and needles for knitting, walkers and handrails and new dental fittings, bundles of magazines tied up in strings, these are a few of my favorite things.

Cadillacs, cataracts, hearing aids, glasses; Polident, Fixodent, false teeth in glasses; Pacemakers golf carts, and porches with swings, these are a few of my favorite things.

When the pipes leak, when the bones creak,
When the knees go bad, I simply remember my favorite things and—and I don't feel so bad!

Hot tea and crumpets and corn pads for bunions, no spicy hot foods or foods cooked with onions. Bathrobes and heating pads, hot meals they bring, these are a few of my favorite things.

Back pains, confused brains, and no fear of sinnin', thin bones and fractures and hair that is thinnin', and we won't mention our short shrunken frames, when we remember our favorite things.

When the joints ache, when the hips break,
When our eyes grow dim, then I remember the great life I've had —and I don't feel so bad!
