Community Emergency Response Team (C.E.R.T.) NEWS

On April 6, 2009, your CERT team met with Jeanne Basak, CERT Team coordinator for North Fort Myers, Daryl Burton of the N. Ft. Myers Fire Dept. and Julie Wilson of Park Management.

At this meeting, two (2) things were very strongly recommended.

#1 — All residents are asked to have some form of ID, preferably picture, to be presented to guards at gates should a bad storm or other emergency happen and the park needs to be closed.

#2 — All residents should put numbers, at least 4 inches high and reflective on their homes. As a former emergency service worker, I must say that I can really appreciate this. If you have ever had to look for house numbers in an emergency, you know what we are talking about.

Thank you.
