FEBRUARY 2012

Welcome back to our old and new friends who have just arrived in the past month. We've been waiting to hear your 'weather' stories. We had an exceptional birthday party in January with 150+ in attendance. It was a great event and I'm quite certain that everyone enjoyed the steel drum band. This month we have Colleen Kelly Reynolds returning with her Irish audience participation show. Maybe we can set another record!

The annual lot owners meeting was very special and informative. Don and Eric Gustafson, our new owners answered many of our questions and told us about some of their plans and changes that will be taking place in the park. I've very excited to see the changes in the coming months. Stay tuned.

Hope that all of you are going to eat pancakes on Saturday January 28th. It's the perfect way to end another month of fun.

John Alberghini is busy planning the SPAGHETTI DINNER scheduled on Friday, February 10th from 4:30 to 6:00 pm. It's always a great meal, lots of food at a reasonable price.

New to the calendar this year is a VALENTINE'S DAY bike, golf cart and foot parade at 3:00 pm. Show your creativity by decorating your wheels and yourself to join in the fun. We'll meet at the clubhouse and follow the parade with Happy Hour. It should be fun and we'll get in a little exercise to boot.

Thought for the Month: **"If you aren't part of the solution then you're part of the problem."**

NAME BADGES: The Social Club nonagenarians (those 90 yrs. young and older) are not required to pay dues starting in the year they turn 90 yrs. young. Therefore once you receive your "Lifetime" badge, that is the only one you will receive as it does not have to be issued each year, as no date is printed on it. But, if you have a badge that has seen excessive wear, you may request a new one by contacting Judy Schlundt, Social Club assistant typist.

Also, for any dues paying member who has a badge cover that has been worn out, you may request a new one from Judy.

The Social Club would like to see everyone wear their name badges to all Social Club activities. This is especially helpful to new residents (and us old ones too), who are trying to put names with faces.

!!!BOOK CLUB MEMBERS!!!

As you know, we have not been meeting due to the absence of our leader, Esther Ritsema. I don't know about you, but Mary Munson and Mary Livensparger miss our monthly meetings. So we are setting our regularly scheduled meeting day (3rd Monday of the month) for a "BOOK CHAT". We will meet at the clubhouse for cookies and coffee and discuss some of the books we've read over the past year. We can make recommendations and share and chat an hour away—I'm sure with no problem. We will not be bringing books from the library for everyone to read and discuss. This will simply be a time of sharing and discussion. If you like to read, and if you like to talk, PLEASE JOIN US. Monday, February 20 @ 10 am.

A HUGE Thank You to Joan Dunlap for her "trunk show"!! 52 ladies oohed & aahed & had a wonderful time appreciating your many talents!!!!

Whenever you contract to have trees trimmed, make sure that the person providing the service is licensed and insured. Most companies offer free estimates. You as the property owner are responsible and liable if the person has an accident on your property. If they destroy or damage your personal property, they probably will NOT offer to replace or repair it if they don't have insurance.

Reputable businesses will gladly show you their credentials upon request. I have contacted 3 different outfits that meet the basic requirements. They have proper equipment, current licenses and insurance. I will post each of their business cards on the board between the restrooms.
