

HAPPY NEW YEAR

January 2022

My name is Carol Todd, I am going to try to do the monthly news letter. It will not be as great as Sherry Stover's but I believe in letting people know what is going on in our community. So until someone volunteers to take this position I will fill in.

My address is 2754 Breezewood Dr.

The deadline is the 23rd of each month (for the following month) .

Please send an email to Carolt1972.ct@gmail.com or have it written out and put it in my mail box.

If anyone is interested in putting on an activity for the park please let the activity directors know. They will check the calendars and help figure out some dates.

Activity's are a great way to meet other lot owners. A lot of work goes into these activity's and they could sure use your help. Making coffee to putting up tables are always a great start. Anything is appreciated.

We are looking for volunteers to Lead the Easter dinner please contact me if your interested.
