April 2024 NEWSLETTER

PRESIDENTS NOTES

Thanks to all the volunteers who helped make this a successful year.

Hope you have a great and safe summer see you next fall.

FOOD FOR THOUGHT

The last newsletter of the year always brings mixed emotions. As some of us pack to return to our families and northern homes others breathe a sigh of relief that traffic will lessen and waiting lines at their favorite restaurant will become shorter.

I believe the next several months will be important for the future of Laurel Estates. In the near future all lot owners will receive a survey of proposed changes to our Deed of Restrictions. This is only a survey and is not binding, an official vote by lot owners will take place next season. The suggested amendments came as a result of years of careful thought and deliberation by a committee chosen by the Lot Owners Board of Directors. The survey should be completed and returned to Reggie Blough as soon as possible so that the Board and its committee can continue the process to prepare these potential changes for a final vote by you, the lot owners.

Happy Summer, Enjoy

CASINO MURDER MYSTERY EVENT

I'd like to thank everyone for attending the Casino Murder Mystery event. The costumes were so amazing. It was great to see so many ladies and gentlemen participate. The owners of the Blak Swan, thank you all for everything. I know how crazy it gets when 80 gangsters and flappers are hungry. Owners of the bar, Silky Sins, thanks. You kept our gamblers coming back for more. The banker, awesome job. To the night's dealers, everyone enjoyed themselves at the tables. Our wonderful characters, you were all so awesome. I came to realize we have some great talent amongst us. Your willingness to be someone else was so enjoyable. To those individuals who did those little extra things to make the night such a huge success, thank you.

From your Casino Manager/Host, Victoria Angelo, again
thank you all.

Also, I would like to THANK Jan Dumonson and Elaine Kitchen for all the years of help they have given me.
