From the President...re: Recap of Monthly Conference Call with Ultra5

There is a clarification from Ultra 5 on the fire escape routes that were posted on Facebook. The document was just a preliminary document and was not ready to be released yet. As soon as the document is finalized, we will publish it in the newsletter along with the names of those who will have the access code to the gates.

Also, here is a reminder about reporting deed violations. There are 2 methods. You can call Ultra 5 and file a complaint call, or you can fill out a Deed Violation form which can be found at the clubhouse. These forms can be submitted to Ultra 5 or to a Board Member. Board members who are here through the summer are Tami Stockero, Cindy Calvin, and Gayle O'Brien.

One final thing. We have been having conversations about how we can "spruce up" our Laurel Estates entrance area and sign. Suggestions have been to paint part of the sign with a color that "pops", change the shingles out with siding, and a little more light on it when it is dark out. We would welcome any suggestions from our lot owners. Please feel free to reach out Tami Stockero with any suggestions.

Food Drive Thank You

Thanks so much for all the donations to All Souls Episcopal Church. The donations for March were wonderful and they greatly appreciated it. Unfortunately, there were several items that we were not able to donate due to expiration.

Gary & Theresa Koszarek

There will be no trash pickup on Monday, May 26, 2025. Trash and yard waste will be collected on May 27. Please make a note of this change.

Back To Ride!

A familiar face returned to Laurel Estates in early April. Who can forget **Myrna Stroble** leading the gang of trikes and bikes on a ride around the community. Well, at the tender age of 98 years young, she is just back from an African Safari and took some time to lead residents on a traditional "**Myrna Tour**" of the park. It was absolutely great to see and visit with her.

Condensed Newsletters are planned for the off season (May through October). Deadlines will be the last day of the previous month and Newsletters will be available the next day online and in five days in the clubhouse

BELOW: Here are a few photos from the Easter Dinner, Considering how many residents had already left for the North, the turn-out was outstanding!

Memorial Day Cookout

Come to the Clubhouse at 2:00PM on Memorial Day 2025, Monday, May 26th. Hamburgers and Hotdogs will be served. If you can attend, you're asked to bring a covered dish or dessert to share. Please sign up in the Clubhouse so the proper amounts of hotdogs and burgers can be purchased.

This will be a great opportunity to gather and enjoy a day remembering those who gave the ultimate sacrifice to keep our country free.

Headed North for the Summer?

If you're headed North for the Summer, please make sure you have your contact information on file with Carol Todd. Also make sure your neighbors know where you're going and how to contact you in case of an emergency. It's for your benefit to make certain the information is current and up to date in the event you need to be contacted.
